

# Ladies Night Contest 2024

---

The competition is aimed at female students from the fields of **process engineering, mechanical engineering, electrical engineering, mathematics, natural sciences and computer science.**

The participants should submit a scientific poster by **31.03.2024** at the latest, which summarizes their own scientific work (Bachelor's or Master's thesis, student assistant project, internship project or similar) and presents it in a comprehensible and convincing way for the non-expert reviewers.

The reviewers pay particular attention to whether the scientific and technical benefits of the work for the general public are convincingly presented. Information on the preparation of the poster can be found on the Ladies Night website:

→ <https://www.fvst.ovgu.de/Ladies+Night.html>

**Format of the poster to be submitted:** A0 portrait format

**Form of submission:** by e-mail to [ladiesnight@ovgu.de](mailto:ladiesnight@ovgu.de)

All posters will be evaluated by a jury consisting of scientists from different research areas at the OvGU. The winner will be honored with a certificate and additionally with a voucher for the university bookstore Coppenrath and Boeser at the Ladies Night 2024.
