Information about exams

The first exams are in July and September 2020. The schedule will be available in the glass box in front of our office or at our homepage:

http://www.vst.ovgu.de/vst/en/Examination+Office.html.

The Online-registration is possible from 13th of June up to two weeks before each exam. Later registration is not possible, the system is closed then! Without registration you can't take part on an examination.

If you are sick to an exam date please submit a doctoral attest and the enclosure below (two pages – you will find it on the homepage as well) three days after exam at the latest in examination office. Then you are excused for the exam. Otherwise when you are registered and you didn't take part without any excuse you have failed.

For each exam (no matter if compulsory or selective) you have <u>one</u> possibility to repeat. If you failed again you have the possibility to repeat a third time, but only for two subjects. If you failed the third attempt in one subject the study course is definitively failed. Or if you failed in more than two subjects for the second time your study course is definitively failed. You can't continue your study.

Choosing selective subjects

 Selective subjects can be chosen from the list on the home page of exam office:

CEE:http://www.vst.ovgu.de/vst_media/Dokumente/Pr%C3%BCfungsamt/Studie ndokumente/Chemical+and+Energy+Engineering+%28CEE%29/CEE_Master_List e.pdf

PSEE:http://www.vst.ovgu.de/vst_media/Dokumente/Pr%C3%BCfungsamt/Studiendokumente/Process+Safety+and+Environmental+Engineering+%28PSEE%29/PSEE_Master_Liste_09_19_%C3%BCberarbeitet-p-7262.pdf

- If you choose one subject you have to take it till you pass it.
- It is not allowed to register for each selective subjects and don't take them without excuse. Then you have failed the exam. Remember the advice above how often you can repeat an exam.

Please find more information about the course in examination rules and the list of selective courses:
